# CLASS of 1986

# Jamaica Plain High School

# Jamaica Plain, Massachussets

*We the Class of 1986 would like to dedicate this yearbook, to two very special people:*

*— To Mr. Smith because he was always there to help us when we needed him.*

*— To Mrs. Jennings her dedication and support made this yearbook possible.*

The spirit of the Class of 1986 is summed up in this poem by an Unknown Author.

Don't Quit

When things go wrong, as they
sometimes will,
When the road you're truding
seems all uphill,
When the funds are low, and the
debts are high,
And you want to smile, but you
have to sigh,
When care is pressing you down
a bit;
Rest if you must, but don't you quit.

Life is queer with it's twists and turns,
As everyone of us sometimes learns,
And many a fellow turns about
When he might have won had he
stuck it out.
Don't give up though the pace seems
slow;
You may succeed with another
blow.

Often the goal is meaner than
It seems to faint and faltering man;
Often the struggler has given up.
When he might have captured the
victor's cup
And he learned too late when the
night came down,
How close he was to the golden
crown.

Success is failure turned inside out-
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're
hardest hit,-
It's when things seem worst that
you mustn't quit.
